

**DIAGNOSTIC HISTOPATHOLOGY OF BONE AND SOFT TISSUE TUMORS:
An Update Based on WHO 2026
Padua, 11-12 June 2026**

Scientific rational:

The congress on June 11-12, 2026, provides an up-to-date overview of soft tissue and bone tumors in light of the WHO 2026 classification.

Key sessions will cover emerging tumor entities, recently described cutaneous and visceral neoplasms, and diagnostic mimickers, with insights on the latest immunohistochemistry and molecular techniques.

Case-based slide seminars encourage interactive learning and practical application. This program aims to enhance diagnostic accuracy, foster expert discussion, and emphasize the clinical relevance of precise tumor classification.

Draft scientifico program:

11 June 2026 - 7h45m learning hours

09:00	Welcome and Introduction - <i>Paolo Dei Tos</i>
09:15	Emerging entities in soft tissue tumors: an update based on WHO 2026 Part 1 – <i>Jason Hornick</i>
10:00	Emerging entities in soft tissue tumors: an update based on WHO 2026 part 2 – <i>David Papke</i>
10:45	Coffee break
11:00	Osteogenic tumors - an update - <i>Petur Nielsen</i>
11:45	Slide seminar – <i>David Papke</i>
13:00	Lunch
14:00	Recently described cutaneous soft tissue tumors- an update - <i>Thomas Brenn</i>
14:45	Next generation immunohistochemistry in STT diagnosis - <i>Jason Hornick</i>
15.30	Mimickers in soft tissue tumor pathology: a survival guide - <i>Paolo Dei Tos</i>
16:00	Coffee break
16:30	Chondrogenic tumors: an update – <i>Petur Nielsen</i>
17:15	Slide seminar – <i>Marta Sbaraglia</i>
18:15	Adjourn

12 June 2026 - 6h45m learning hours

09.00	Adipocytic neoplasms: An overview and update – <i>David Papke</i>
09:45	Soft tissue tumors occurring at visceral sites - <i>Jason Hornick</i>
10:30	Coffee break
11:00	Slide Seminar – <i>Thomas Brenn, Petur Nielsen</i>
12.30	Cutaneous vascular tumors: an update – <i>Thomas Brenn</i>
13:15	Lunch
14:00	Mimickers of malignancy in bone tumor pathology - <i>Petur Nielsen</i>
14:45	Clinical relevance of STT classification - <i>Paolo Dei Tos</i>
15:30	Coffee break
16:00	Slide seminar – <i>Jason Hornick</i>
17:30	Conclusive remarks - <i>Paolo Dei Tos</i>

ACRONYMS

WHO: World Health Organization

STTs: Soft Tissue Tumors

COURSE DIRECTORS:**Angelo Paolo Dei Tos**

Professor of Pathology Department of Medicine, University of Padua

Director, Department of Integrated Diagnostics Azienda Ospedale-Università Padova

Dean, University of Padua School of Medicine

President, SIAPEC-IAP

Jason L. Hornick

Professor of Pathology

Harvard Medical School, USA

Director of Surgical Pathology, and Director of the Immunohistochemistry Laboratory at Brigham and Women's Hospital, USA
