

Accreditamento Provider Nazionale: SMM SRL ID 5129

Conflitto d'interessi: [*"nessuno"*]

Titolo: "13th ICCN International Conference on Clinical Neonatology"

Data: 25-27/09/2026

Sede: Intesa San Paolo - Grattacielo, Corso Inghilterra 3 - 10138 - Torino

Durata: [n. 20 ore]

Crediti: [n.]

Faculty (vedi CV brevi allegati)

RESPONSABILE SCIENTIFICO: Paolo Manzoni

RAZIONALE DEL CORSO

The 13th ICCN: International Conference on Clinical Neonatology 2026 will focus on scientific developments, recent research, and new challenges on the care and treatment of preterm neonates

13TH ICCN – International Conference on Clinical Neonatology

25-27 September 2026

Grattacielo Intesa Sanpaolo, Turin, Italy

25th September

8th Global Expert Meeting on Pediatric and Neonatal Respiratory Viruses

- | | |
|----------------------|---|
| 8:30 – 8:45 | Opening and Start of the day
<i>Chairs: Louis Bont (Netherlands), Eugenio Baraldi (Italy), Paolo Manzoni (Italy)</i> |
| 8:45 – 10:15 | First session: Respiratory Syncytial Virus burden and impact of population prophylaxis strategies |
| 8:45 – 9:10 | Impact of infant Respiratory Syncytial Virus prophylaxis with Nirsevimab: views from different Countries and from different organizational models
Paolo Manzoni (Italy) |
| 9:10 – 9:35 | Impact of maternal Respiratory Syncytial Virus immunization: the global data
Gonzalo Perez Marc (USA) |
| 9:35 – 10:00 | Pneumococcus and respiratory viruses: fatal attraction?
David Greenberg (Israel) |
| 10:00 – 10:15 | Discussion Respiratory Syncytial Virus
Paolo Manzoni (Italy) |
| 10:15 – 10:45 | Coffee break |

10:45 – 12:15 **Second session: The new post Respiratory Syncytial Virus world**

10:45 – 11:10 **How will Respiratory Syncytial Virus look like?**
Pablo Sanchez (USA)

11:10 – 11:35 **Emerging viruses: will universal Respiratory Syncytial Virus prophylaxis change the game?**
Carlo Pietrasanta (Italy)

11:35 – 12:00 **Will Human Metapneumovirus be on the rise? Can we expect that it will become a threat?**
Maria Ailen Bruno (Italy/Argentina)

12:00 – 12:15 **Discussion on Respiratory Syncytial Virus**
Paolo Manzoni (Italy)

12:15 – 13:15 **Maternal immunization against Respiratory Syncytial Virus - the state of the art**
Panelists: Irene Cetin (Italy), Paolo Manzoni (Italy), Marco Safadi (Brazil)

13:15 – 14:30 **Lunch break**

14:30 – 16:00 **Third session – Respiratory Syncytial Virus Advocacy towards parents and stakeholders**
Panelists: Irene Cetin (Italy), Paolo Manzoni (Italy), Marco Safadi (Brazil)

16:00 – 18:45 **What's next - new issues, new challenges**

16:00 – 16:25 **Clesrovimab: the new actor on stage**
Paolo Manzoni (Italy)

16:25 – 16:50 **Antivirals for Respiratory Syncytial Virus: May they be an option?**
John De Vincenzo (USA)

- 16:40 – 17:15 **The Respiratory Syncytial Virus vaccine pipeline: any news?**
Natalie Mazur (Netherlands)
- 17:15 – 17:40 **What about Nosocomial Respiratory Syncytial Virus infections in Intensive Care Unit settings? A comprehensive view.**
Harish Nair (UK)
- 17:40 – 18:15 **Breastfeeding and maternal Respiratory Syncytial Virus prophylaxis: is there an added value?**
Gonzalo Perez Marc (USA)
- 18:15 – 18:45 **Discussing the future of respiratory syncytial virus immunization**
Paolo Manzoni (Italy)
- 18:45 – 19:00 **Closing Remarks**
Louis Bont (Netherlands), Eugenio Baraldi (Italy), Paolo Manzoni (Italy)

26th September

13th International Conference on Clinical Neonatology – Innovation and technology in Neonatology and Perinatal Medicine

Chairs: Guilherme Sant'Anna (Canada-Brazil), Bianca Masturzo (Italy), Paolo Manzoni (Italy)

- | | |
|----------------------|---|
| 9:00 – 9:15 | Introduction: Why innovation and technology for the neonatal intensive care unit?
Paolo Manzoni (Italy) |
| 9:15 – 9:35 | Towards the Development of a Smart neonatal intensive care unit
Guilherme Sant'Anna (Canada-Brazil) |
| 9:35 – 9:55 | Wireless Skin Sensors in the neonatal intensive care unit: What's done and what's next?
Eva Sénéchal (Canada) |
| 9:55 – 10:15 | AWARD Clinical International Study: Phases 1 &2
Klara Kipczak (Canada) & Sofia Palacios Cuevas (Canada) |
| 10:15 – 10:35 | Discussion innovation and technology for the neonatal intensive care unit
Paolo Manzoni (Italy) |
| 10:35 – 11:15 | Coffee break |
| 11:15 – 11:35 | Biomedical engineering in the evaluation of novel vital sign sensors: Challenges and solutions
Robert Kearney (Canada) |
| 11:35 – 11:55 | Skin-Interfaced Wireless neonatal intensive care unit Monitoring: Innovation for Smart neonatal intensive care unit Hospital
Ha Uk Chung (Canada) |
| 11:55 – 12:15 | Next-Generation Neonatal Respiratory Monitoring: Insights from the Neo-BEAT Lab
Wissam Shalish (Canada) |

- 12:15 – 12:35 **Discussion innovation and technology for the neonatal intensive care unit**
Paolo Manzoni (Italy)
- 12:35 – 14:30 Lunch break**
- 14:30 – 16:00 **Session: Neonatal Neurology**
Chair: Paolo Manzoni (Italy)
- 14:30 – 14:50 **From hypoxia to asphyxia – outcomes of neonates exposed to hypoxia**
Ola Saugstad (Norway)
- 14:50 – 15:10 **Amplitude-integrated electroencephalography monitoring in the neonatal intensive care unit: where are we?**
Karl Schettler (Germany)
- 15:10 – 15:30 **Outcomes of infants undergoing Extracorporeal Membrane Oxygenation: lessons from an international registry**
John De Vincenzo (USA)
- 15:30 – 15:50 **Discussion on Neonatal Neurology**
Paolo Manzoni (Italy)
- 15:50 – 16:30 **Closing remarks**
Guilherme Sant'Anna (Canada-Brazil), Bianca Masturzo (Italy), Paolo Manzoni (Italy)

27th September

13th International Conference on Clinical Neonatology – Innovation in Perinatal Medicine

Chairs: Bianca Masturzo (Italy), Paolo Manzoni (Italy)

- | | |
|----------------------|---|
| 9:10 – 12:00 | Session on Neonatal and Perinatal Medicine – in conjunction with Italian Society of Perinatal Medicine
<i>Moderators: Daniele De Luca (France), Francesco Raimondi (Italy), Virgilio Carnielli (Italy)</i> |
| 9:10 – 9:30 | New tools and new skills for the management of labour
Tullio Ghi (Italy) |
| 9:30 – 9:50 | The ODon system- real-world practice and evidence
Bianca Masturzo (Italy) |
| 9:50 – 10:10 | The high Altitude Baby: the impact of the hypobaric hypoxia on the newborn
Amed Soliz, (Bolivia-USA) |
| 10:10 – 10:30 | Role of Probiotics during pregnancy and their possible association with perinatal outcomes
Fabio Facchinetti (Italy) |
| 10:30 – 10:40 | Discussion on Neonatal and Perinatal Medicine
Paolo Manzoni (Italy) |
| 10:40 – 12:00 | Coffee break |
| 12:00 – 13:00 | Pending questions about maternal immunization against Respiratory Syncytial Virus: Best timing, coadministration, second pregnancy, year-round vs. seasonal, add-on or exclusive
<i>Panelists: Gonzalo Perez Marc (USA), Fatima Husain (UK), Yazmeen Agosti (USA)</i> |
| 13:00 – 14:00 | Lunch break |

- 14:00 – 14:20 **Nutrition of preterm neonates- what's new?**
Luca Maggio (Italy)
- 14:20 – 15:00 **Zika and chikunguya- an update**
Marco Safadi (Brazil)
- 15:00 – 15:20 **Use of Iron enteral supplementation during pregnancy and neonatal outcomes**
Serafina Perrone (Italy)
- 15:20 – 15:50 **Discussion on Neonatal and Perinatal Medicine**
Paolo Manzoni (Italy)
- 15:50 – 16:10 **Closing of the conference**
Paolo Manzoni (Italy)
