

MASTERCLASS (PCNL, FURS) STONE MANAGEMENT

Building confidence through education. Advancing endourology together.

September 9-10 2026, Genova

This two-day course combines didactic presentations with live surgical cases focused on stone management, including both PCNL and ECIRS techniques. Led by Dr. Dotta, the program provides practical insights, demonstrations of key surgical techniques, and bestpractice guidance, with particular emphasis on procedure standardization and puncture techniques.
